Attach extra sheets if necessary.)

E. Stock, Hawkins, Westcott, all will not do any copies for me EVEN WHEN I offer to pay for access of court. All will not give me requested BP 8's, BP 9's, and BP 10's for filing complaints and for inmate appeals. All are harassing and retaliating against me for filing complaints against fellow staff members. My legal documents were shredded, thrown away by E. Stock and R. Mora. All because one of my complaints was against E. Stock. I told both E. Stock and R. Mora that I needed that paperwork copied for my D.H.D. hearing the following week on the 25th of Nov. 2014. R. Mora said he would copy it, but upon him reading the material he saw that I had a complaint about E. Stock who was accompanying him. So he gave it to DHR.

IV. Statement of Claim (continued):

E. Stock was upset and questioned me about it. A few days passed and I write to them both explaining again, that I NEED those papers for my D.H.D hearing, because it was part of my defense. Neither one replied. So, in the end all my papers were lost by them and I was unprepared for my D.H.D hearing for (101) assault. On 12/23/14 E. Stock came to my cell door(B-12) and asked me what do I need? I said, "I need some copies of legal materials." She said sarcastically, "what's wrong with your heads?" I said, "so you are denying me legal copies when I am willing to pay?" she said again "what's wrong with your heads?" She also said that she was not doing my transfer until my D.S. time was up. But my disciplinary Segregation was suspended. She is just threatening me and harassing me. E. Stock is being bias in her official duties as a case ...

Manager. She deliberately waits until inmates get down to less than a year before she starts doing their release plans. (Look at her 2014 case load) One guy inmate Nalls, she waited until he had (3) months left from his RELEASE date before she did his release plan. Most inmates she waits until they are less than a year and only requests less than (6) months or (6) months Halfwayhouse (RRC) or Home Confinement.

She is not applying consistent standards for the application of the Second Chance Act. Is bias and discriminatory to all other programming that does not involve her. She only recommends (6) months or less for most inmates, but for her (K9) program inmates, she recommends (9) months RRC placement or Home confinement. She is deliberately trying to hinder our REentry back into society successfully.

E. Stock told me that she was putting me in for the Second Chance Act but was only recommending (6) months RRC placement. I said, "This is not the Second Chance Act, if I am eligible, why am I not getting the recommendation for both RRC and Homeconfinement?" She said, "you're not getting both, we don't do that here." So, I tell her, do not use the Second Chance Act because of their in-house rules and wrong interpretations. "Administrative Remedy Process for inmates here, is a joke. I can't get the necessary documents to file anything, grievances or appeals." Lastly, my points should have dropped after a year of clear conduct and programming, but Ms. E. Stock refused to drop my points.

(Page 8)

E. Stock also deliberately held up my transfer to make me due (two) months of Disciplinary Segregation time which was suspended, to further harass me.

RE: Request for RRC Placement and Home Confinement

To Whom it may Concern:

I am writing to you to request that I be allowed to receive RRC placement and home confinement for the maximum allowable periods of 12 months and six months respectively, pursuant to 18 USC 3621 (c)(2); 18 USC 3624; and Program Statement P5330.11 (copies attached). Having completed the Non-Residential Drug Abuse Program, BOP policy encourages each Warden to approve the inmate for the maximum period of RRC placement. The maximum period of RRC placement, pursuant to 18 USC 3624 is now 12 months. Further, because I have no place of residence and limited employment options, I am also requesting the maximum amount of home confinement of six months as defined by 18 USC 3621 (c)(2).

In Perez v. Winn (2006, DC Conn) 431 F. Supp 3d 87, Congress mandated that prisoners receive individualized evaluation of their eligibility for community corrections placement.

In Leggett v. Nash (2004, DC NJ) 2004 US Dist LEXIS, the Court stated that the Director of the BOP has discretion, pursuant to 18 USC 3621 (b) to review and place inmates in community corrections centers at anytime during custodial sentence; further, BOP Director has authority, if he chooses in his discretion to use it, to review inmate for possible to and placement in CCC pursuant to 18 USCS 3621 (b) at any time for any reason, in addition to transitional purposes specified in 18 USCS 3624 (c).

Because of the aforementioned characteristics of my particular situation, I am requesting your consideration in allowing my requests as listed. Thank you in advance for your assistance.

Written Copy
(1)

Dear Inspector General;

12-9-14

Issue (1) Hello, I would like to report a lot of misconduct by my unit team and staff here at Buckley. I have to resort to giving written copy's of legal documents because my unit team will not make copies. Even if I offer to pay.

A couple of weeks ago, I gave Case Manager Maza whom was accompanied by Case Manager Stock, some legal papers that was a part of my defense for my D.H.O. hearing the following week.

C.M. Maza, took them and said, "he would copy them and bring them right back." He then read it and saw one of my complaints were against Ms. E. Stock. He then gave it to her. A couple of minutes later. She comes to my door B-7 and questions me about it, then walks off, with my paperwork. While sarcastically saying, she could investigate whatever she wants too.

A few days pass and I write them both telling them, "I need that back for my D.H.O. hearing." I receive no response from either. I had printed out (3) pages from the law library on DUE Process 541.1 prestat. for the disciplinary process. For which, I was arguing many due process violations according to the disciplinary process. Constitutional issues cited as well.

(2.)

Now the hearing of my hearing for this (101) assault.
 Ms. Stock was there with my staff representative Counselor Painter. I asked the D.H.O. "did he RECEIVE my complaints from Ms. Stock?" He said, "No!" I then asked him to ask Ms. Stock who was on video where was my paper that I had given them to copy? She said, she couldn't copy it and left it that day with the S.H.U. one officer to give back to me.

Long story short, It got lost and I was unprepared for my D.H.O. hearing. In which the D.H.O. said to me, "I am not going off on a technicality." My staff rep- Mr. Painter did not even come and speak to me to see what I needed help with for my defense. C.M. Maza, C.M. Stock both read it and now it disappears because it involves her and I'm bringing up due process violations. How convenient!

Issue (2) They are stopping out mail from going out and coming in. I receive mail that was post marked a week or two ago before I finally get it. Incoming and outgoing mail is done the same way. This has gone on until date (5) months. S.I.S. is the problem.

Issue (3) They are trying to stop inmates appeal process. I appealed (SEE attached, 113 prohibited act). Almost two months ago, I sent it to the

(3)

Mid-Atlantic Regional and never heard anything from them. A couple of weeks ago, I wrote to the Mid-Atlantic Region and asked what was going on with my appeal. As of today, I have heard nothing.

My appeal was based on this... Officer Burdette's lying on me and it was obvious. Look at his statement on the incident report. (See attached 113) He said, "White searching a brown bag with commissary that had Lutti's name and regulation number on it. I found two pill bottles..."

The D.H.O. and unit team (UDC) missed my point. Burdette specifically said, "Commissary that had Lutti's name and regulation number on it. THERE IS NO COMMISSARY PURCHASED IN THE S.H.U. THAT COMES WITH INMATES NAME AND REGULATION NUM. ON THEM. NOT EVEN ON RADIO'S PURCHASED. NOR ARE WE ALLOWED ANY OTHER COMMISSARY THATS NOT ON THE COMMISSARY SHEETS (SEE ATTACHED).

This lie was a vicious attempt to frame and convict me by officer Burdette. The D.H.O. EVEN said in his report. That Burdette should have written me and my cell mate up. Because he found that the pills were in a constructive area.

Issue (4) I wrote several complaints against medical staff here especially Kevin Thompson. He told me, "make sure I spell his name right when I file on T..."

Issue #1 At my hearing with the D.H.O. on Nov. 25th 2014. I asked him, "did he get my due process complaint from my case manager Stock?" He said, "No!" He then asks, "what's the nature of my complaint?" I advise him that I can't remember them all (3 pages) plus (3) additional pages printed out from the law library (6) total. But its all about due process violations. the stable no-matter what's in my complaints, I am not getting off on a technicality. I then ask him to ask Ms. Stock, "what are the papers I gave her to copy last week for my D.H.O. hearing?" She says the same day I gave it to case manager Plaza who then gave it to her, she left it with the S.A.L. one officer to give back to me. Because she couldn't copy it. Even though I had offered to pay for the copies.

So, my legal papers were lost in the end. Which was all of my defense. Because I could not remember all of the issues. So, now I am unprepared for my hearing. I also sent an entire separate hand written copy of my complaints to the D.H.O which he said he didn't receive. When the D.H.O told me that I was not getting off on a technicality. I was scared to say anything else and perceived him as a threat to having a fair hearing. He was not acting as an independent, impartial decision maker, rather a part of the prosecution. He should have advised me of my legal rights, but he didn't and

Care Manager Ms. Stock and the Administration are willfully discriminating against myself and other inmates here at Rockley. She is refusing to apply consistent standards for the application of RRC placement / Home confinement via inmates eligibility for the Second Chance Act and completion of Non-Residential Drug Treatment. My request for Halfway house and Home confinement are predicated on my need to establish adequate housing and secure satisfactory employment.

My entire incarceration I have programmed. (See attached) But Ms Stock does not care about any other programming that inmates have done. And only recommends less than (6) months to these inmates for RRC placement / HomeC...

But for inmates who participate in the (K-9) program that she is instrumental in creating, inmates RECEIVE RECOMMENDATIONS from her for (9) months RRC placement / H.C.. She is being very bias in who gets recommendations for what.

She told me that she was putting me in for the Second Chance Act, but only was gonna recommend 90 to 120 days RRC. I said to her if I am eligible for the Second Chance Act, "why am I not getting this recommendation for both RRC placement and Homeconfinement? Because to my understanding the Second Chance Act is for both." She said, "you're not getting both, we don't do that here."

I told her that, "this is not the Second Chance Act and don't use it." Because of her unwillingness to apply it correctly and their inhouse rules.

Part A- INMATE REQUEST For over a month, I have been requesting receipts and responses to my BP-9's filed on the following staff members... Total (2) on E. Stock, L. Mora, and my unit lead. Staff misconduct, denying me the administrative remedy process, biasness, harassment and retaliation. Total (3) filed on K. Thompson and medical staff for denying me proper medical treatment. (1) Filed on officer Toliver, for denying me my legal mail. (1) Filed on officer Burdette & Harvey for misconduct of staff. All BP-9's filed are past due pursuant to BOP policy to respond. THESE BP-9's I received from other inmates in the SHU, I've used to file with. For months I have requested to have my BP-9's responded to by Mr LeMaster. Every week it acts as though he's looking into it, the matter. But I never get a receipt or response. He is therefore hostile as well. They are all working together to conceal what is going on here. I've told Mr LeMaster that all of my BP-9's filed are all past due. He said if I had so many written and I have to give them time to respond. He also said that I thought most were frivolous. Either way they deserve to be responded to. Because the hostile nature of staff here. I am keeping a copy of this grievance for my own records and adding a hand written forth page.
